By Quentin Fortrell

Wall Street Journal

I will cost you your  
dream house

My arrival is going  
To cost you **BIG**

I will break your heart

Have fun at work paying  
For my child care

My allowance is burning  
A hole in my pocket

I'm not really your favorite,  
Am I?

I broke your iPad, iPhone  
And computer too

Its your fault I'm  
Addicted to gadgets

I'm probably not giving  
You any grandchildren

You'll cry when I leave  
...you with the last bill
